

# DEFENCE

EXCELLENCE IN SUPPLY CHAIN

COTESI UK

## ABOUT US

COTESI – Companhia de Têxteis Sintéticos SA, is part of one of strongest Portuguese economic groups, VIOLAS SGPS, and since its foundation, a pioneer in the production of Agricultural and Industrial Packaging, Nets and Ropes produced from synthetic and natural fibres.

Today, COTESI is the world biggest producer of Baler Twine.

With a global presence, COTESI has production plants in Portugal, USA and Brazil, as well as distribution companies in France, UK, Germany, Denmark, Belgium, USA, Canada and Brazil.

Technical innovation and unique accumulated know how is part of our DNA.

Our products are used in the most advanced projects in agriculture, industry, marine, fishing, military and civil defence.

COTESI has a Quality Assurance System certified by AP-CER – Portuguese Association of Certification according to ISO 9001, for the design, development and production.

COTESI UK is the Sales Force of COTESI Portugal for the UK and Irish Markets,

In the Defence sector, working with Service Providers to MoD organizations in Europe, Middle East and Asia.

## A GLOBAL RANGE

Founded 75 years ago, the COTESI Group has developed one of the widest ranges of Rope, Twine and Net products, working in close cooperation with Service Providers and the Forces.

The main areas of products supplied to a large number of Defence Organizations, covering Naval, Army and Air Force all over the world include:

- Ropes and Twines :
  - Mooring Ropes
  - Towing and Recovery
  - Abseil
  - Communication and Energy Covers
  - Winch Lines
- Shock Cords
- Speciality Threads
- Safety Nets
- Sandbags for Military and Civil Defence purposes
- Camouflage Fabrics and Nets
- Uniforms and Boots
- Sheets and other Bed Textiles
- Paints

The list of NSN Codes included in this catalogue is increasing every day.
